
XBench Scores

Posted by youlle - 2007/12/30 12:05

I was wondering what sort of XBench scores people achieve on average? My iMac averages 134.0 usually.

Spec:

Intel Core 2 Duo 2.0GHz
2GB DDR2 RAM
ATi Radeon HD 2400XT 128MB
250GB HDD
Super Drive
Mac OS X 10.5
